More Background Material--Latest Addenda-on the Kennedy Assassination. Attention: District Attorney,the Hon.Jim Garrison of New Orleans,Louisiana.

(Correlating the Bufferies:-Part One.)

The smartest buffs of the Kennedy Assassination are superior in mental power and in sincerity to the members of the Warren Commission, and can help you, Mr.District Attorney,of New Orleans, La., Hon.Jim Garrison, because they deal in plausibility,probability, possibility and exact relevancy in every item or theory they work on, and yet never disdain considering a fact. For instance, the personal idiosyncrasies,quirks, allegedly traumatic childhood events of Oswald count for nothing if it really was physically,mechanically, ballistically, and chronologically impossible for Osqald to have done the shooting and the post-assassination rushing and meandering around Dallas which has been attributed to him and blamed on him. I wish, in these preliminary remarks, before starting on my main theme, to call to your attention the suppression and disappearance of one Morris Bealle,publisher of "Capsule News" in 1964 at address 919 18th St.N.W.Washington,D.C. He blamed Nelson Rockefeller as the mastermind of the assassination-conspiracy. Is Morris Bealle another one of "the witnesses and involved personnel in the Dallas Tragedy" who has met a mysterious death or vanishment? His disappearance and suppression arouses suspicion properly and gives and merits attention to his theory which otherwise might get no publicity.

A buff is a person who belongs to a buffery composed of other kindred-spirits who are doing the same research-work, performing a labor of love and a duty--namely, a crusading enthusiasm of intellect and curiosity to get at the real truth in some subject or other. A Buffery is like an exclusive club,but into which gate-crashing by the unqualified is impossible, and which group is not the same as a school of thought,nor an intellectual fraternity such as Phi Beta Kappa, nor yet a set of hobbyists like bird-watchers or stamp-collectors. Buffs are driven internally by a sense of duty and an unlimited curiosity toward collecting facts and solving problems and are also driven by a contempt for and a strong enmity toward liars, hypocrites,phonies and fiendish,devilish conspirators. They have a lot of the professionally proud news-reporter in them, and also of the private detective at his best and of the lawyer at his best.They drive themselves toward becoming a Perry Mason,a Paul Drake, a Westbrook Pegler,a Dorothy Kilgallen. Also they early are or soon become persistent fighters because in their work they encounter evasiveness, deception,camouflage and the double-talk of bafflegabbers and are nearly always pitted against those persons of Real Politik who have the foulest ulterior motives for suppressing various truths and facts. These suppressors are also devils who are powerful persons on earth or else executive-stooges of such persons.

There may be more but these seven bufferies I note as in clear existence at the present time:-

A connecting link between the Superbuffery and the Kennedy Assassination Buffery is the book "WERE WE CONTROLLED" By Lincoln Lawrence. This author blames as masterminds in the conspiracy Neo-Nazis of Argentine base,German extraction. He claims they hypnotized both Oswald(in Minsk Russia 1959, plus a weird brain operation) and Jack Ruby in Dallas,early in 1963;that they had a second rifleman on the grassy knoll;that they got Dorothy Kilgallen murdered --appearing accident or suicide like the Bang-Jensen case--because she smelled a rat and had almost figured out the truth with her excellent brain using inductive reasoning plus her fine sources of information and was about to expose them.They even had power enough to cause the Blackout of Electric Power failure the next day in order to throw her death's publicity off the front papges. They also sold X the Wall Street Stock Market short and made a cool half BILLION dollars that day of infamy,Nov.22,1963.

Each buffery tends to lack contact and communication with each other buffery like two galaxies separated by inter-galactic space.This lack ofcommunication takes the form of scoffing and of showing a dearth of versatility and of catholicity of tastes and of curiosity. But in the Superbuffery there is a more all-purpose generalized type of brain at work whose subject matter includes all the other bufferies because the superbuff is of such high I.Q. that he(or she) automatically has unlimited curiosity about all subjects and strives to correlate every bit of knowledge with all other bits. The duty of the Superbuffery is to make the facts or theories discoveredin any one buffery get shoved right under the noses of each other buffery so that those buffs can no longer ignore or disdain them. The scoffers will always howl,but will be influenced anyway and their complacency disturbed in spite of themselves.

The High I.Q.Superbuffery is automatically composed of dedicated, crusading buffs devoted to a cause-The Cause--preserving Western Civilization,to the ideals of eugenics, and in politics Right-Wing Extremist. The Superbuffs seem to be mostly concerned with ascertaining who holds the real political power and economic power on earth,who is at the highest level behind the scenes in the chain of command,and who was so placed at any time in the past.

For one thing,these Superbuffs think that most modern heads of state, heads of government and cabinet ministers are mere puppets, but that the further back you go in time the more likely that the head of state was the real power and not the puppet.

One controversy raging within the Superbuffery and so far unsettled is the amount or type of anti-semitism which should be taken for granted. None of the Superbuffs has any sympathy with Super-sensitive Jews or their friends the Judeo-phile gentiles, who howl to high heaven if the Jew is even so much as mentioned except with lavish praise and compliments or accompanied by tripe about the "Judeo-Christian Legacy". Nevertheless some Superbuffs think that there are and have been non-Jewish villains loose in the world of the very worst devilish designs,holding high rank in the invisible government of the world, whereas others are traditional anti-semitics thinking that all outfits and movements such as communism,socialism, occultism,and illuminism are mere fronts for Jews and exclusively Jewish-controlled.

Professor Oliver's book "CONSPIRACY OR DEGENERACY?" 1967 published by POWER PRODUCTS R.D.Box 319,Nedrow,N.Y.#13120 for $2.00 a copy deals with this controversy like a good reporter not raeching any final conclusions. This is a most valuable tract with references to make other books,authors and publishers and their addresses.

Emanuel Josephson blames the Rockefeller family for most modern evil all over the earth. New Orleans D.A.Jim Garrison should consider at least the possibility that Nelson Rockefeller is the highest-ranking determinable order-giver in the chain of command and that he may have ordered the assassination. WmRobert Plumme in his book "THE UNTOLD HISTORY" thinks Nelson Rockefeller tried to get Vice-President Nixon murdered in 1959 in Venezuela by a hired "communist" mob in that country which is practically Nelson's crown colony,in order to eliminate Nixon from the scene before the early 1960 primaries. Plumme thinks Nelson may be the "king of the world" mentioned in The Protocols of Zion. They both think orders go out to all the left-wing world from Rockefeller Center, Radio City, in N.Y. to Moscow and thence to Castro and others of stooge-rank. Professor Oliver in an earlier pamphlet "MARXMANSHIP IN DALLS" said that there is no reason to think that the controlling persons of the International Communist Conspiracy necessarily reside in Russia or ever have. Louis Zoul does seem to think that allorders come from Moscow to slavish traitor-politicians in Washington who are mostly bribed or blackmailed into subserviency.. Zoul calls them "kakistocrats",a word he coined meaning members of thw worst riffraff of the earth actually having real power and rule. Anti-semitics like Gerald L.K.Smith publisher of THE CROSS AND THE FLAG,P.O.BOX 27895 LOS ANGELES,CALIF,#90027, and George Lincoln Rockwell of the AMERICAN NAZI PARTY,P.O.BOX 22071,Dallas,Texas #75222. hold that any American is a sucker who will for a moment imagine that any villain except a Jew can be holding the highest ranks in the Invisible Government. The writer H.S.Kenan agrees with them both, claiming that Nelson Rockefeller has only a fairly high rank and actually takes orders from Sidney Weinberg of Goldman,Sachs & Co. Plumme traces the evil back to the British East-India Company and even further back to the time of Edward the First,who was grandson of King John of the days of Ivanhoe and the Third Crusade. Plumme can't make himselg believe taht Jews who started so recently as the Rothschilds in 1770 or the Jew Adam Weishaupt who in 1776 founded the subversive riffraff Order of the Illuminati could have wrested control away from gentile villains so soon afterwards. Josephson thinks Jacob Schiff was a mere stooge of Rockefeller(John D.Sr.) as was President Wilson and Colonel House. John McConaughy never wrote one word that could be construed as anti-semitic but he thought J.P.Morgan(1837-1913) was a mere stooge of"Wall Street" controlled and blackmailed all his life. Others say Morgan became a Rothschild agent in 1861. Josephson claims the Rockefeller never pay any Inheritance Tax, and get away with it. He claims they talked Kaiser Wil-helm II into starting to build the Berlin-to-Baghdad railraod, fully intending to use it themselves mostly for their own oil tank-cars. Both Plumme and Jospehson trace the family tree of the Rockefellers and in this I see an opportunity to be a conciliator-in-chief such anti-semitics as Gerald L.K.Smith,H.S.Kenan,Wally Butterworth, George Lincoln Rockwell,Dr.Edward Fields of The National States' Rights Party,Box 6263,Savannah,Georgia #31405. and the others in the Superbuffery who are not anti-semitic.

I believe that the origin of anti-semitism is that the "return from Babylonian captivity" to Jerusalem supposedly of pure white Adamic race Hebrews who ancestors had been carried off into captivity in Babylon was in reality a return, a stealthy fifth-column infiltration of the original captors who were near-white,"high-grey" Nimrod-mongrels,so-called because Nimrod,great-grandson of Noah, "the mighty big black dare-hunter,insolently insubordinate before (against)the Lord",who originally led a band of mulattoes and"high-

yaller"--a cross-breed between the Adamic White Race and the "beast of the field" or "beast of the earth" as Genesis describes the Pure Black Negro race, to found a new empire and built the tower of Babel. These near-white Nimrod mongrels,these Babylonian Talmudic Pharisees moved into Jerusalem as a fifth column and took control, although the pure white Hebrews like in the surrounding country-side and small town, and the Pharisees with still entrenched at the time of Christ. He called them"sons of your father the Devil.Serpent and devil is also thought to refer tothe pure black Negro beast of the field in the Garden of Eden or to the spirit which animated them and operated them, perhaps of outside origin somewhere else in the solar system. Some modern Jews have a hero-worship for the Maccabees, a set of tough commano-raiders who lived in Asia Minor from about 323 B.C. until the time of christ. They fought fiercely but apparently against the alien pharisees,whom they recognized for what they were. The pharisees are called "those who say they are Iudaei and are not but do lie.You can tell them by the show of their countenance" -in other words the look of the Jew-of-caricature. Iudaei means aboriginal residents of Judaea, the Shangri-la,the Promissed Land of the pure white Israelitic Hebrews The translation is bad in the King James version.As B.H.Freedman says the English word"Jew" was invented in the 18th century by Sheridan in his play"The Rivals." It is hardly even fit to use since it is so badly defined and has so many different connotations of race,culture, religion,nationality,etc. The 1611 English Bible used the spelling euwe(pronounced YCU-WEE)Iudaeus means something,Pure white Hebrew means something.Near-white,high-grey Nimrod mongrel of Babylon means something.Khazar means something---a person of Turco-Mongol blood con--verted to "Judaism" in Russia in the 8th century,But "Jew" means nothing clear and if possible should be thrown out of the English language, Anti-semitic feeling has of course also been directed the Khazar-converts to Judaism as well as against the Nimrod-mongrel pharisees.They are both often loosely called disguised asiatics. In fact, I am inclined to think---now impinging on the type of speculation that might be used in the Flying Saucer Buffery-------that the khazars did arrive in flying saucers as evil being from another planet --probably Vulcan, which I believe is in the earth's orbit always exactly out of sight behind the sun and six months ahead or behind the earth. Some alleged conversations of saucer-occupants ~~xxxxx~~ mentioned by those buffs claim they do live on another planet "which you(earthlings) do not see because it is behind another planet(the sun?) which you do see". I too believe that the Adamic White Man was re-enforced by "Norman-Martians" from Saturn via Mars as a way-station, who arrived at the Fjords of Norway around 900 A.D. and disguised themselves as blond Nordic Vikings. They seem to have arrived for the ~~x~~press purpose of making a beach-head on earth, of bestriding the English Channel, of delivering a counter-attack against theSaracens,the disguised asiatics,the high-grey near-white Nimrod mongrels which people the Old Testament calls abominations. They include all Arabs,Turks,Saracens, as well as "Jews",that is fake Iudaei who are not real Israelitic white Adamic race Hebrews.What I call real pure white Hebrew,Gerald L.K.Smith calls "the exceptional Jew".

This brings me to the point I wanted to make about serving as conciliator-in-chief in the controversy between the anti-semitics and the others in the Superbuffery. Their non-Jewish villains may prove also to be very dilute near-white,high-grey Nimrod mongrels in most if not all cases. This will be discussed further in the next ~~xxx~~ issue. But in regard to Rockefeller there is enough of his genealogy sketched by Plumme and Josephson to make one think he is the same mongrel breed as "Jews", although of a different branch if there be such things as branches of races.

In direct male descent the first Rockefeller was a Turkish sailor who deserted his ship in Hamburg,Germany at the time of Frederick the Great or his father,"the old king" Frederick-William the First, who died in 1740. This Turk deserter tried to get into the Prussian Army,but they wouldn't have him so he had to settle for the Hessian Army. He married a barmaid. Their son grew up and took the name Roggenfelder(rye-field). and was also in the Hessian Army contingent which George III sent to fight in the American Revolution.This son didn't fight,thoguh. He deserted,ran off with a barmaid,moved inland for the duration on the first Appalachian frontier. Their son was Godfrey or Geofrey, the town drunk, an alcoholic like Rip Van Winkle and a physical wreck. His son was William Avery Rockefeller(1810-1906) a giant built like the actor John Wayne,but with a disposition like W.C.Fields playing a travelling quack doctor. His son was John D. Rockefeller Sr.(1839-1937),the worlds first billionaire.Plumme says that in every generation after Geofrey every Rockefeller man made a marriage with a woman of English immigrant families ~~xx~~ who were,

philosohpical radicals with views and outlooks which made them the ideological ancestors of Fabian Socialists,Communists,Single Taxers, Mormons,Founders of Free-Love colpnies and such like,including Marxists and Theosophists. When the devilish Beast-of-the-field Negroid blood is dilute enough this is how it functions.This is its handiwork, the enslaving of the world and the wrecking of its high cultures and civilizations--a very subtle and slow process but defintely a sure one.

In the next issue I will deal with this long fight between Norman-Martian crusaders and their Saracen,Moslem,Mongol,Pharisee, Jewish disguised Asiatic enemy which I call "the Ice-Tong Power", since they first attacked Europe up both the Balkan and Iberian peninsulas like a military pincer-movement--the two prongs aiming to come to-gether near Vienna or Geneva,Switzerland.Vennard Sr. has mentioned that many popes for centuries after the founding of Switzerland as a "republic" in the 13th century regarded it is really a roobers' roost or hide-out of riffraff heretics or usurious Pharisee conspirators and all manner of subversives. Those who fought the Ice-Tong Power were "doing the essential Western work". In series they were the frist "French" pope Urban,really a "Norman-Martian" pope,who preached the first crusade in 1095 A.D. Also just previously the first "Germanic" pope,Gregory the Seventh,then Kind Francis the First of Francethen Henri IV of France,then the great Cardinal Richelieu,then the Duke of Marlborough,then Frederick the Great and the first three kings George of England,and then Bismarck and the greatest Czar of Russian,Alexander II, who fought Disraeli and his stooges Napoleon the Third and the Hapsburg Mexican Emperor Maximillian and helped Abraham Lincoln with Russian fleets and his Germanic overcrust aristocrasy in Russia, and finally Hitler.

The Ice-Tong Power was first stopped cold by the Franks at the Battle of Tours in 732 A.D. Then Gregory the Seventh established a Teutonic discipline in the Church which was a great strain on the old mongrel population Christians of the Mediterranean shores and fafilitated many of them converting to mohammedism. The Jews and Moslems seem to have counter-attecked by fifth column infiltartion which occurred rapidly in the 15th century especially by planting in Italy

families of Spanish-origin Pharisees posing as Italian gentiles, especially the houses of Dei Medici and Borgia. Ferdinand and Isabella in Spain also fought hhts with their Spanish Inquisition and were doing the essential Western work. Protestant seem to have been induced by Jews to hate the Spanish Inquisition,whereas in reality it was xxx mostly Jewish and Moslem seubversives who suffered from the Inquisition. After 1400 in Rome,what Protestants called later corruption in the church was reality infiltration even into the rank of pope of disguised Asiatic Saracen-Judaic,Nimrod-Mongrel high-grey,near-whites no matter how white race they may have appeared. The next issue will be concerned with further details of this whole theme which I call "The Central Constant Theme" of the Chief Root Theory of Interpreting history.
